Dear Brady:

Well this schedule making has been a nuisance. The reason for it was, when Hardin first asked me to go to Atlanta the 29th, he told me he could keep us busy all the week, going and coming. I am sure I would not have taken the date, if I had known he would not give us a day but the 29th. I think he ran into trouble getting the NC parks. This meant I had to start scuffling, and call on everybody for help.

As things stand now, we have arranged to play April 22nd and 23rd Knoxville, 25th Spartanburg S.C. We have nothing else then until the 29th in Atlanta, but I have decided there is no use trying to get anything at this late date. The we have that long jump back. Abe has promised Richmond faithfully to play there May 3rd, so I was able to get in Columbia S.C. the 30th, and I am working on Durham May 1st. I am sure this is as good as can be done. In the future I will know who to deal with, and who to depend on. I don't want anything for the 2nd.

There is a good chance The Eagles and The Stars will have to come to Virginia for a doubleheader Sunday June 3rd. If so we will stay there for three or four days. It looks like we would have to play in Portsmouth. What do you think about it? Where would you suggest playing?

Please let me know as soon as you can, where you plan to put The Eagles and Cubans the week of May 6th, and The Eagles and Elites the next week.

What happened we didn't go to Danville Monday? Let me hear from you as soon as you can. Thanks for everything.

Very Truly Yours
